

Do you want to find new sources of funding or finance for exporting?

How we can help

Funding and grants

We offer funding and grants to help your business grow – find out what support we may be able to give you.

[Find funding and grants](#)

Co-investment funding

We offer an expert advisory service that can help you access a range of funding options, including our own co-investment funding opportunities. This service is part of our investment arm, the Scottish Investment Bank.
