

## Do you need help with getting your goods out to market?

How we can help

### **Logistics guidance**

Our logistics checklist can help you create a logistics plan for exporting to EU markets.

[Logistics checklist](#)

How other organisations can help

### **Prepare for Brexit**

The Prepare for Brexit website offers guidance and webinars on issues related to logistics within the EU.

[Find logistics guidance](#)

### **Open to Export**

Find guidance on transporting your goods, export documentation, customs and more.
