How to create an export plan

It's important to have an export plan in place if you're just starting out on your export journey. Our guide can show you what you need to include.

Open to Export

Use the Open to Export Action Plan tool to create your export action plan, covering:

- Am I ready to export?
- Which product should I export?
- Where should I export to?
- How will I cover the additional costs?
- How will I make a profit?
